2-DAY WORKSHOPS

Come with a vision, leave with a plan

When you send a team of educators to a Solution Tree workshop, they experience the same deep knowledge and hands-on learning that you've come to expect from us. Your staff needs meaningful training to tackle new initiatives. Get it from experts with years of classroom experience, and you can be sure your team will come back with a practical plan.

The Visible Learning^{plus} Program

Visible Learning^{plus} is an in-depth school change model of professional learning based on the work of John Hattie. Through a series of professional development experiences, school-based teams systematically examine effective instructional practice across a school to impact student achievement.

Get Started With Visible Learning^{plus}

The Foundation Series

Foundation Seminar

Learn what does—and doesn't—make a significant difference to student achievement.

Evidence Into Action I

Gain tools and processes for gathering evidence to measure your impact on student achievement.

Evidence Into Action II

Analyze the evidence to determine priorities and develop an action plan for making learning visible.

Build Capacity by Going Deeper

Inside Series

The Inside Series begins to look in greater depth at the five Visible Learning strands. Support deep implementation of effective strategies throughout your school to enhance learning.

Feedback That Makes Learning Visible

Developing Assessment Capable Learners

Using Data to Evaluate Your Impact

Creating Effective Assessments for Teaching and Learning Using Taxonomy

Collective Impact Program

Align district leadership and professional learning to support the development of Visible Learning schools across a district or system through options such as coaching, consulting, and institutes.

Coaching and Consulting

Develop your own school-change coaches or work with certified Visible Learning^{plus} consultants on site to support deep implementation and sustained change.

Institutes

Introduce your entire district to the core concepts and research of Visible Learning through a two-day professional learning event featuring engaging keynotes and breakout sessions.

Contact your account manager at (800) 831-6640 to discuss all Visible Learning^{plus} options or visit www.corwin.com/visiblelearning
