### ABOUT THE LEARNING FORWARD FOUNDATION

The Learning Forward Foundation is dedicated to impacting the future of leadership in schools that act on the belief that continuous learning by educators is essential to improving the achievement of all students. The monies raised by the foundation provide grant opportunities and scholarships for individuals, schools or teams, principals, and superintendents to further Learning Forward's vision, "Excellent teaching and learning every day."

The foundation supports the development of educators' capacity to improve student learning through innovation and improvement that transforms professional learning, framed by Learning Forward's Standards for Professional Learning and implemented with a coherent design through grants, scholarships, and professional support.
