

Unit 3, Activity 5: Reflect

Purpose	To reflect individually and in a group about the practices and conditions necessary for cultivating leadership in others, and to consider the implications for school principals.
Time	20 minutes
Required roles	Participants

Group discussion

Approximate time: 20 minutes

Independently, reflect on the research read, clips viewed, and group discussions on cultivating leadership in others. Consider the implications for school principals.

Use the windowpane below to record thoughts and key points. In groups of four, each person will take turns sharing what they wrote in one quadrant of the windowpane, with the group focusing on a single square at a time. Be prepared to share observations or salient points with the whole group.
