

Where are we now?

Directions: Use the following to guide conversation about the development and implementation of the LEA system for Title IIA monitoring and reporting.

We identify data to be collected before implementation begins.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree

We have processes in place to monitor, assess, and adjust the progress of our practice.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree

We identify or develop and use tools and protocols for monitoring desired teacher and student actions.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree

We use one of the four tiers of evidence to determine the progress that is being made.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree

We exercise our responsibility to adjust evidence-based practices to achieve better outcomes.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree

We regularly reflect to ensure that professional learning is aligned to the ESSA definition of professional development when making determinations about professional learning strategies and opportunities.

Strongly agree	Agree	No opinion	Disagree	Strongly disagree
