

## LEA Tool 4.2 Reporting progress

<b>Directions</b>	Read and analyze the following evidence-based practices and priorities your team members to determine which ones you could embed into your revised Title IIA application for districts.
-------------------	---

LEA Title IIA Monitoring Tool								
Activity/ Priority	Evidence of impact on students	Evidence of impact on educators	Amount of Title IIA ex- penditure	Alignment to vision/ definition of system of profes- sional learning (see LEA Tools 1.3 and 2.1)	How is this activity co- ordinated with other PL activities provided through federal, state and local pro- grams?	Imple- mentation status (Include number of schools involved out of total number of schools)	Bench- marks for measuring progress (see LEA Tool 3.1)	Next steps (Continue, modify, or discon- tinue?)
