Guide

Learning Forward supports and designs collaborative professional learning for all educators. Collaborative professional learning strengthens practice and ultimately improves student outcomes. This reflection guide is available to Learning Forward members to encourage educator teams to build on and enhance learning derived from our webinars.

As you watch the webinar, use this reflection guide as a notetaker and write down thoughts and questions that stemmed from the webinar that you want to bring back to your team.

Below are reflection questions to deepen your learning.

How can you do more to recognize and treat parents as experts?

What are some positive outcomes of family engagement during the pandemic?

What can I personally do or give to help build bridges during this time?

How can you set families up for success with home learning and how can you invite them to set YOU up for success?
