

Webinar Reflection Guide

Learning Forward supports and designs collaborative professional learning for all educators. Collaborative professional learning strengthens practice and ultimately improves student outcomes. This reflection guide is available to Learning Forward members to encourage educator teams to build on and enhance learning derived from our webinars.

As you watch the webinar, use this reflection guide as a notetaker and write down thoughts and questions that stemmed from the webinar that you want to bring back to your team.

Below are reflection questions to deepen your learning.

In what ways can your classroom/program/organization create a culturally rich environment online?

In what specific ways can school systems increase equity in the face of COVID?

What new opportunities does remote learning offer for engaging and connecting with children?

How can we further engage parents with limited or no access to technology during COVID?

What role do parents play in ensuring that student learning loss is overcome?

What strategies can help you stay flexible to adapt as needed while teaching online?
