Alternative Postal Mailing Address:

*If member is a corporation, business, or district, then according to Ohio statutes, the chief executive officer or president shall be the individual voting member on behalf of the corporation and is entitled to one vote. Said officer may designate a person to vote in his/her stead. Please indicate under Name both the corporate name and name of the individual who will be voting on behalf of the corporation. In either case, this registration form must be signed by the CEO or President to be valid.

I hereby affirm by this registration that it is my intent to be an active voting member of Learning Forward, the Professional Learning Association and hereby confirm, having paid the required membership dues as set by the association, that I am a voting member in good standing. It is my intention to advance the Learning Forward mission and vision by participating in the annual meeting of the voting membership and to vote on such issues as are, from time to time, brought before the voting membership.

I acknowledge that, as a voting member of the association, I must accept all notifications of special meetings and elections via email at the address associated with my membership or by regular postal mail if an email is not available, both of which are stated hereinabove. I agree to do all that is necessary to ensure acceptance of said emails through my service provider. If I do not have access to email or an internet connection, I agree to submit an alternative postal mailing address and will submit my vote via postal service mail. I further understand that blocking or refusing the receipt of such emails or failing to keep my email or postal mailing address updated and current may prevent my ability to vote in an election, and in such event, I will accept full responsibility for failure to fulfill my responsibilities as a voting member and will hold Learning Forward harmless.

I agree that it is my responsibility to keep my membership contact information at the Learning Forward website current and up to date. I acknowledge that failure to advise Learning Forward of changes to my email or postal address may result in my loss of status as a voting member, but in such event, I understand that said privileges may be reinstated at my request through submission of an updated voter registration form.

I acknowledge that my failure to pay required annual association dues will constitute relinquishment of both my membership and my right to vote.
