Introduction to the Standards for Professional Learning

Introduction to the Standards for Professional Learning is a three-session online course providing educators an overview of the revised Standards and the key frames that describe the essential content of adult learning, process elements of professional learning, and aspects of the professional learning context, structures, and cultures that undergird high-quality professional learning.

This course is designed for any person interested in understanding the importance of a systemic approach to professional learning. The course shows how the Standards for Professional Learning help define and contribute to fulfilling that vision. Through this course, learners will have a deeper understanding of the value of a systemic approach to professional learning, will be able to explain the connection between the Standards for Professional Learning and student outcomes, and will understand how educators in different roles use the Standards to enhance their work with professional learning.

Course begins on November 14.
The cost is \$249 for Learning Forward members and \$299 for non-members.
