

TITLE II-A SYMPOSIUM

REGISTRATION FORM

1 FEES & INFORMATION

To address upcoming state and federal challenges to professional learning budgets, Learning Forward is hosting our first symposium to help you maximize the impact of your Title II-A funding.

Join us in Arlington, Va. February 29-March 1 for our first Title II-A Symposium. This two-day learning event is designed to help districts strategically plan, implement, and evaluate their use of Title II-A funding to support comprehensive professional learning in their systems. Title II-A is the only federal funding source dedicated to professional learning for teachers and leaders, providing over \$2 billion per year to support effective instruction through the preparation, recruitment, and development of educators. Yet, these funds are often repurposed to support district goals that are either tenuously linked to educator learning and growth, or not at all. In the 2020-2021 school year, nearly 30% of districts transferred a portion or all their Title II-A allocation to another federal program.

The cost is \$699 for Learning Forward members and \$749 for non-members.
