

TITLE II-A SYMPOSIUM

REGISTRATION FORM

1 FEES & INFORMATION

To address state and federal challenges to professional learning budgets, and maximize the impact of your professional development funding.

Join us in Miami, Fl. October 29-30 for our next Title II-A Symposium. This two-day learning event is designed to help districts and states strategically plan, implement, and evaluate their use of Title II-A funding to support comprehensive professional learning in their systems. Through this event, Learning Forward will help you advance the sustainability and integrity of this grant by providing a comprehensive training and support network to Title II-A grant managers. Developing a learning experience that amalgamates Learning Forward's Standards for Professional Learning, Title II-A statutory requirements, and best practices is the first step to ensuring that our school systems continue to receive annual professional learning allocations and that those funds are leveraged for maximum impact.

The cost is \$799 for Learning Forward members and \$849 for non-members.
