

Sue Renehan is an Education Specialist with CREC's Expert Solutions Division. She received her undergraduate degree in Economics from the College of the Holy Cross. She received her Master's Degree in Business Administration from Bentley College, and she holds a Sixth-Year Degree in Education from Southern Connecticut State University. An experienced educator and instructional coach, Sue provides a wide range of consulting services across all grade levels. Following an early career in business management, Sue spent more than 17 years teaching mathematics in both urban and suburban districts. Since joining Expert Solutions, Sue has provided support to educators in leadership, planning and instruction, assessment, teacher evaluation, professional learning communities, data teams, cultural proficiency, and instructional coaching. Sue is committed to building school and district capacity by developing teacher knowledge and skills through job-embedded professional learning.

To contact Sue, please call (860)335-8980 or email her at [srenehan@crec.org](mailto:srenehan@crec.org).
